Thank you for coming to the Heartful English Class 25th Anniversary Celebration and Reunion! This event has three parts (Special English Service, Celebration, and Potluck Dinner). Childcare is available for children 2 to elementary kids during the Special English Service (3pm-4pm). Please pick up your kids during the break after service. If you brought food or drinks, please bring them to the kitchen beside the stairs and the servers will receive them. During the Special English Service, we will have an offering time. But, if this is your first time, please just pass the offering box to the next person. Thanks again for your coming and presence in this event. I hope you will enjoy this event from your heart.
