

## **“Normal and Weird” (I Surrender All - Part III)”**

Normal:

- Conforming to a standard; usual, typical, or expected
- NOT ordinary
- Being in proper shape; being how you should be

Weird:

- Very strange; bizarre

*Surrendering all to God in current society means to be normal and weird.*

1. **If you live your life entirely for Jesus Christ, you are a normal Christian.**

Normal Christian life

= Life focused entirely on Jesus Christ.

2. **If you live your life entirely for Jesus Christ, you are weird in this society.**

In this society,

Normal = Weird

### **Blind man healed by Jesus** (John 9-10)

In Ch. 9, the healed man follows Jesus, and becomes cast out by society.

In Ch. 10, which is a continuation of the occasion that took place in Ch. 9, Jesus' message is "I will take care of him."

If we live "normal" Christian life, this society will consider you "weird."

But, God will take care of you.

*Are you ready to be normal and weird?*
